

Volunteer in Rishikesh

#VolunteerTTW

BRIEF

At The Tarzan Way,

"We believe that travel is not just about a vacation, but is an art of experiencing different realities."

With 29 states, 7 union territories, 497 cities, 7935 towns, 600,000+ villages, thousands of ethnicities and dialects, and millions of people, India is a land full of diversity and colors.

One visit is definitely not enough to cover the entire country. But after extensive research all over India, we have carefully crafted various travel programs across India to provide an immersive & cultural feel of the diverse nation.

RISHIKESH

Rishikesh on the foothills of Himalayas is the hub of many ancient temples, popular cafes, yoga ashrams and adventure sports. The town is a delightful amalgam of spiritual and adrenaline pumping experiences. With the increase in number of campsites, adventure sports like river rafting, and trekking opportunities, as well as yoga courses, ashrams and markets along with the breath-taking views of the Himalayas, Rishikesh can be easily termed as a traveller's delight.

SOCIAL TRAVEL: RISHIKESH

Social Travel is a 2+ weeks experiential travel program in which the participants explore the city while participating in meaningful volunteer work for a cause they care about.

The participants are free to travel to the nearby locations during the weekends.

Through this travel experience, *we aim to provide a taste of the Indian culture, an insight to the local traditions and lots of adventure while adding value to the society.*

HIGHLIGHTS OF THE JOURNEY

RISHIKESH: A SPIRITUAL ADVENTURE

- The journey starts at New Delhi Airport or Dehradun Airport, where you will be picked up by a coordinator.
- If you start from New Delhi, you can spend a night in Delhi and move to Rishikesh the next day.
- The coordinator in Rishikesh will introduce you to the nearby markets, restaurants, and so on.
- SIM Card will be covered in the experience fees.
- The second day will be majorly an introduction to the workplace followed by an orientation picnic with your Experience Captain covering safety guidelines, budgeting tips, other tricks and much more.
- The volunteer work timings will be usually from 8:00 AM to 3:00 PM.

- After the work hours, TTW Team has planned various excursions, which include **Hindi Language Classes, Indian Cooking Classes, Yoga Classes**, and a **City Tour** covering major ashrams (including the Beatles Ashram), cafes, ghat as well as many sites relevant to the culture of the place. An **Adventure Night**, is planned including **camping, bonfire**, and adventurous activities such as **river rafting, flying fox, burma bridge** and many more along with **trekking, bonfire and barbecue**.
- During the weekends, you can explore other states, cities, towns and even villages. There are multiple trekking opportunities from Rishikesh to the most remote villages in India. For a **religious atmosphere**, you can visit **Haridwar**. The nearest city is **Dehradun**, which was built during the British rule and still has similar architecture. If you want to visit the **Taj Mahal**, you can visit **Agra** and for **architecture, majestic history and deserts**, you can visit the **Royal Rajasthan**.
- Note that you can only take direct flights to anywhere in India from Delhi (around 5-6 hours away from Rishikesh via bus). So if you're interested in visiting **South India or North-East India**, you can always map out the same easily.
- Your Experience Captain, along with TTW Team will remain in touch with you 24/7 via chat, as well as call. If you want to explore some cities or increase your experience duration, feel free to consult us for the same.

"I have traveled to India once before for visiting a close friend. Going through Tarzan Way is the closest I could hope to reach the same experience. From the moment I asked for information, The team was incredibly helpful. Tarzan Way was able to put together a custom itinerary to meet my exact needs, including time period, budget, and desired activities. I felt secure in every communication and transaction, and they came through with many personal touches. I highly recommend it to anyone looking for a meaningful trip to India!

Also, a solid 9/10 would be my rating, since there's always a room for improvement. :)"
